

In the Abstract:

Please enter the attached ABSTRACT OF THE DISCLOSURE into the file (attached as a separate sheet).

REMARKS

Claims 1-31 were pending in the International Application as originally filed.

Claims 1-31 have been canceled in favor of new claims 32 - 64.

The claims were replaced in favor of new claims which are better suited for US claim practice and to remove multiple dependencies prior to calculating filing fees. The subject matter of the new claims is substantially identical to the original claims.

The International Application did not include a separate Abstract of the Invention. An Abstract has been attached on a separate page for entry into the application.

The Application is now believed to be in condition for favorable examination on the merits.

Corresponding action is respectfully solicited.

PTO is authorized to charge any additional fees incurred as a result of the filing hereof or credit any overpayment to our account #02-0900.

Respectfully submitted,

Stephen J. Holmes
